## HOLD THE DATE !

Alumni, oarsmen, parents and boosters, please mark your calendars for the weekend of April 5-6.

Friends of UCI Rowing will be sponsoring the biggest, best reunion ever at this year's San Diego Crew Classic ... at least until our 50 year reunion in 2015!

Details will be forthcoming, but here are the essentials:

1. Race-course hospitality tent across the turf from SDCC beer garden. Tent will be a joint enterprise with UCLA crew alumni. Catered continental breakfast and BBQ lunch both days. Lunch includes Kirksey's famous chili! Tickets \$7.50 for breakfast, \$12.50 for lunch. Oom-pah band for entertainment between races.
2. On Saturday night we'll have hosted cocktails and hors d'ouvres, champagne and premium wines, followed by a sit-down dinner with choice of steak, salmon, chicken, vegan. Yummy chocolate desert. A bargain at \$75 per person - Friends of UCI Rowing picking up overage.
3. Coaches, oarsmen, parents and children invited. There will be a special fun-room and dinner for children, hosted by UCSD staff.
4. Check <http://crewclassic.org/> for SD Crew Classic event details, schedules, admission, parking, hotels, etc. We recommend you book hotels early, as they fill up fast.
